

BOOKING CONDITIONS & CANCELLATION TERMS OF TRAVENTURIA LTD.

By booking a trip with Traventuria Ltd. you are deemed to have accepted on behalf of everyone involved in the booking these Booking Conditions, which constitutes the entire agreement between you and Traventuria Ltd., and your booking will be accepted by us on this basis. The following conditions are valid for all tours and services, operated through the websites and brand names of Traventuria Ltd. (incl., but not limited to: traventuria.com, innwalking.com, traventuria.bg, bulgariawalking.com, bulgariahiking.com, sofiadaytours.com, skibansko.bg, skiborovets.bg, busbansko.com, banskoskishop.com, skishopborovets.com, rilamonasterybus.com etc.)

1. Booking process

A booking is possible if made by either a client online or by the staff of Traventuria Ltd. when a certain program and price have been agreed beforehand. In both cases an invoice is issued and sent for payment (generated automatically or manually), which also represents the reservation request by the customer for the services offered by Traventuria Ltd. Any special requirements and medical problems should be reported by the client before or at the time of booking at latest and reconfirmed if being acceptable by Traventuria Ltd. before any payment done by the customer. After the full payment is received the necessary information will be sent over to the client, or provided directly to him on arrival, containing vouchers (where applicable) and other relevant information if (route notes, maps, general tour information etc.). Please make sure all details inside the reservation are correct and contact us immediately should you notice incorrect or missing information. ***Note to bookings of multi-day tours carried out outside Bulgaria via our website www.innwalking.com:*** Note that we never check accommodations for availability at first place, as by the time clients (potentially) decide to book, rooms may be gone. To start a reservation the customer is required to place an order online on our website and pay the required deposit (200 Euros/person for week-long tours, or more for longer ones). If there is availability we will let you know within several business days (or more when high altitude huts/refuges are involved in the program). In case of lack of availability, we will also let you know, and either try again with a new tour starting date or a new tour (up to the customer to decide) or refund the deposit paid (minus 15 Euros/person for transaction charges/irrevocable expenses). To ease the process of potential refunds due to lack of availability, an online payment of the deposits is required (bank card/PayPal). As soon as availability is confirmed for a certain booking request, the deposits paid for it become non-refundable. Once an order is placed online (even before it is officially confirmed by us), amendments to it related to tour starting dates, different number/types of rooms, or even change to a completely different program, can only be done as per the below described conditions in [Chapter 3](#). So please only book a certain tour if you have firm travel plans. Adding people/rooms and extra services on later stages will be done subject to availability.

2. Payments

In order to facilitate the booking process all clients are required to pay a deposit of 200 Euro per person (for tours of up to 8 days, or proportionally bigger amount for longer programs), or smaller amounts in other occasions (i.e. one-day tours, airport transfers, ski packages). In any case the required deposit will be made clear on your invoice. Full payment should be received not later than 45 days prior departure. If your booking is made within 45 days of the departure date, the system will require 100% payment at the time of booking. If the services you have ordered amount to less than 100 Euros per person then the full amount may be required at the time of booking too (irrespective of the time left until your travel date). If full payment is not captured on time we will send you a written reminder and if no payment follows within 3 business days we reserve the right to effectively cancel your reservation and keep the payments done so far as penalty. Payment deadlines are always present inside the reservation confirmations received by the clients and should be followed strictly. Bank charges should be shared (SHA) between the client and Traventuria Ltd. and payments should always be instructed in EUR as per your invoice. **Note for bank payments sent outside Europe:** Wire transfers made outside Europe often pass via intermediary banks. These banks charge extra (appr. 20-30 Euros per transfer). All clients should make sure their bank does not use such mediators, otherwise the charges of the latter will also be added to the final bill of the client.

3. Booking alterations/changes of travel dates and conditions

Changes of the published prices by Traventuria Ltd. before your booking confirmation shall not be treated as indecorousness from our side. Although we do our best to maintain up to date rates throughout our websites, unfavourable changes in exchange rates, local operators' costs, transportation costs and taxes may occur, which will affect the final price. In such cases we will cover any increase up to 3% of the published price, but the client will be responsible to cover the balance and will be notified about the changes as soon as they become known to Traventuria Ltd. If the increase is more than 10% the client can cancel the reservation within 3 days of the notification and the recoverable costs of their deposit will be refunded. If a full payment is received by that time however no surcharges will be paid by the client. If a client wants to do changes in the tour program (especially its dates) it is necessary that these are advised as early as possible. Although we will make efforts to satisfy those changes we do not guarantee that we will be able to meet such requests. Administrative taxes of 45 Euros per person up to 100% of the package price will be applied in such cases if the customer effectively wishes to change the travel dates or go for a different program. The reservation amendment may involve as an addition supplements, related to use of other hotels, which are also payable by the client.
